No food on-site. Bring a snack or picnic.

Restrooms available.

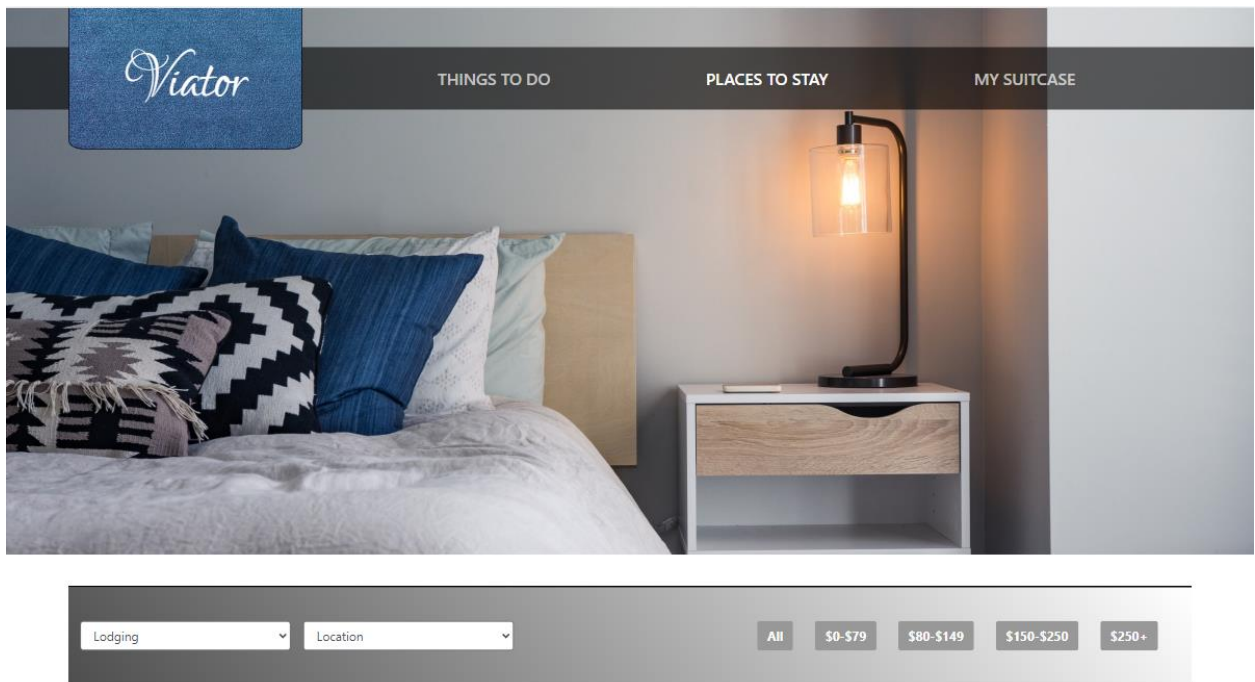

Approx. all day to enjoy.

Weather is seasonal, and temperatures range from 50°F-65°F.

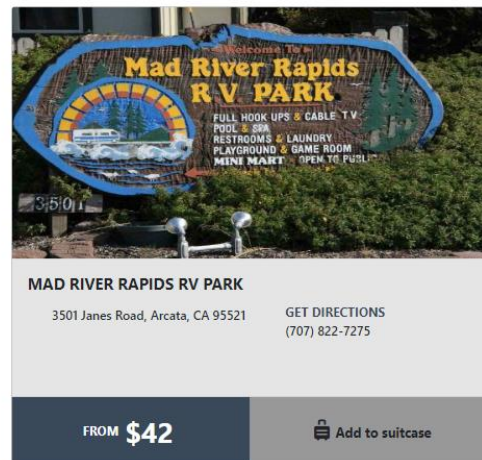

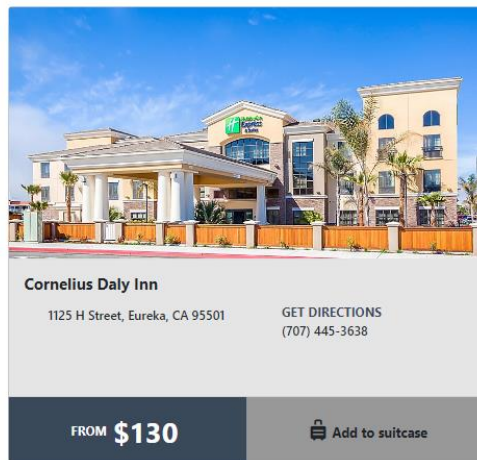

You know you've witnessed some of the largest trees on the planet when you find yourself driving your car through the very center of one. The Shrine and Drive-Over Tree (Myers Flat) allows you to return home again with photographs to prove you were not subject to ingesting some of the local forest mushrooms and did, indeed, pass directly through a living giant.
